HGT series

HGT-175

BRONZE GATE VALVE

· Body Material : Bronze

• Applicative Units for:

Test Water Flow Through Fire Systems

• Working Temp.:-10°C to 80°C (14°F to 176°F)

Working Pressure: 175 PSI

Connection: Threaded NPT

• Size range: 3/4",1",1-1/4",1-1/2",2"
